BALLOT A SUBURBAN HERO.

KEENE'S GREAT COLT TAKES THE FAMOUS RACE BEFORE A GRAND ASSEMBLAGE.

Madden's Fayette and Sir Martin Run First and Sec ond in the Double Event-Montgomery Bought by Thomas H. Williams.

New York, June 19.—The crowded state of the roads to Sheepshead during the noon hours preceding the race bore cloquent testimony to the devotion of New Yorkers to the traditions of Suburban day. The public were not going to be denied the privilege of being present at one of the grandest fascinating side Isaue of speculation. From mid-day and even past the hour when the Double Event had been set for decision, the crowd kept increasing. By auto and coach, by steam cars and trolley, the thousands journeyed until the grounds were filled. The field was thronged, there was but little sitting room in the grandstand. The lawns were filled, the clubhouse inclosure crowded and the balconies held thousands who had no other place to go.

The field was thronged, there was but little sitting room in the American turf, the Suburban Handicap of \$25,000, and the first half of the \$20,000 Double Event, besides four other interesting features, no such promise has any previous day of the season of 1908 held out for brilliant contests.

In demonstrating that attractive racing features will draw the public even when speculation is curtailed and limited. He Suburban day of 1908 will long be memorable.

Ballot, James R. Keene's great four-year-old son of Voter and Cerito, won the twenty-fifth renewal of the Suburban in a canter from eleven brilliant opponents, running the mile and a quarter in 2:05, which is only one-fifth of a second behind the record for the distance. The time establishes a new record for the distance. The time establishes a new record for the distance, and spectracillar and the winner's performance of supreme merit. Withdrawals reduced the original field of fifteen to an even dozen. Bailot, at 8 to 5, monopolized the market completely and whatever betting existed under the new conditions was centered on him. With the possible exception of Master Robert and King James none of the other candidates were considered by the back-ters, as far as winning was concerned, their opperation of the condition of the second of the

POLICE RESTRAINED AT SHEEPSHEAD BAY.

New York, June 19.—The crusade inaugurated by the police authorities last Friday to suppress betting at the race tracks in New York received its first check at Sheepshead Bay today, the Coney Island Jockey Club making the first active move against the police when it obtained a temporary injunction today from Justice Bischoff of the Supreme Court, restraining them from interefering with the orderly gathering of knots of people within the inclosure.

For the last six days the police had vigorously enforced orders to disperse persons composing groups of three or more whenever they found them. The order issued by Judge Bischoff on the application of Dayles, Stone and Auerbach, is made returnable in special term, part one, on Monday.

More than half of the three hundred policement were withdrawn from the track following the stay of proceedings. Neither police commissioner Bingham nor his deputy could be found at police headquarters and service was made on deputy commissioner Baker in the clubhouse at the track, Schuyler Parsons, chairman of the executive committee of the Coney Island Jockey Club, said that they had simply prayed for relief from an intolerable situation by making application for a stay of proceedings.

REENE TO LEAD PERSONAL LIBERTY LEAGUE.

New York, June 19.—James R. Keene, on authority of Philip J. Dwyer, has signified his willingness to accept the presidency of the newly organized Personal Liberty League of America. It is thought that Stephen Sanford will be the vice-president. Mr. Keene has announced officially to the public that Colin will be a certain starter in the Tidal Stakes tomorrow.

Ballot grabbed himself during his race today, sustaining a slight cut on the coronet of the near hind leg. The injury is thought to be superficial,

KENTUCKY RACING COMMISSION RULINGS

Orders That Only Pari-Mutuel and Auction Pooling Be Allowed on Kentucky Tracks.

Be Allowed on Kentucky Tracks.

Lexington, Ky., June 19.—Unless the Latonia Jockey Club, at a meeting of the directors to be held at Covington or Cincinnati tonight, elects to defy the State Racing Commission and precipitate a fight through the courts, there will be no bookmakers in line at Latonia tomorrow or any other day during the present meeting. The State Racing Commission, all five members being present, met here this morning and resolved to sanction only pari-mituels and auction pools and to revoke the license of any racing association in this state that permits any other form of betting upon its track. On representation in behalf of the Latonia Jockey Club made in person by Harvey Meyers, general manager of the track, that daily expenditures of the club are in excess of receiots, permission was given to reduce purses from \$500 to \$400. Meyers presented a statement showing a loss of \$230 per day for the first ten days of the meeting.

T. C. McDowell and J. H. Woodford appeared before the commission as the representatives of the horsemen racing at Latonia with the statement that the horsemen, at a meeting held last night, had unanimously opposed the relustratement of bookmakers at Latonia, and that they were delegated to request a reduction in the purses.

The commission thereupon unanimously adopted the following resolutions:

Resolved, that this commission believes that the best interests of the turf demand that only the pari-mutuel system of betting and auction pools be used on all race courses.

Second, that all racing associations licensed by this commission are hereby instructed to permit only the pari-mutuel system and auction pools be used on all race recurses.

Resolved, that the rule of May 11 be modified to read as follows:

"That the tracks licensed by this commission shall in their daily programs make the aggregate added money \$2,000 when five races are run, \$2,400 when six races are run and \$2,800 when seven races are run. Stakes not to be considered. This rule to take effect upon this date

CLOSE FINISHES IN MONTREAL RACES

Goldway Wins His Third Consecutive Race and Defeats Debar with Ease.

Montreal, Que., June 19.—A hunters' flat race and a mile and a furloug handicap for Dominion owned horses, were the features of a rather ordinary card at Blue Bonnets this afternoon. The fields were evenly balanced affairs, with the result that a majority of the finishes were keenly contested, with the winners in four of the races first home by heads and necks. The racing conditions could not well have been improved on, and the attendance was the largest of the present week. In the handicap which called for Dominion owned horses, King Cole showed something of his old-time form by winning in a canter from the Seagram colt, Lyndhurst. King Cole was purchased by Thomas Stephens a few days ago, and carried for the first time the white and green maple leaves of his new owner. He was ridden by Englander, and after trailing Lyndhurst for a half mile went to the front with a rush.

Both the feature races were won by cast-offs of the Whitney stable, and both King Cole and Midas are by Hamburg. Midas was one of the outsiders in his race and was ridden by his owner, M. J. Wray, a local undertaker. He came from the rear in the stretch and after a furious drive just managed to get up in time to nose out Kumshaw, with the favorite, Stalker, third, another head away.

Takahira, Monthert, Midas and Lilypad won their races by heads and necks. McCahey had the mount on two winners, while Shilling also put a comple

the favorite, Stalker, third, another head away.

Takahira, Montbert, Midas and Lilypad won their races by heads and necks. McCahey had the mount on two winners, while Shilling also put a couple of winners across during the afternoon.

P. M. Civill's Goldway won his third successive race at the meeting when he beat Debar out a length and a half in the second race. Civill has started four horses at the meeting and with three of them has won eight races. Creel, and Goldway won every time they started, while Doubt scored twice. Civill has arranged with Henry McDaniel to handle Goldway for the rest of the meeting. He shipped the remainder of his stable to Windsor tonight and in the same car were the horses which J. W. Pangle has been racing here.

Burlew & O'Neill today sold to Captain W. F. Presgrave the two-year-old filly Ballot Girl. a half-sister to the Suburban winner, Ballot. It is understood that Captain Presgrave acted for Sir Thomas Shaughnessy in the transaction and that Ballot Girl was purchased with the idea of making a broodmare of her.

There is some talk of Thomas Clyde entering into an arrangement with Sir Thomas Shaughnessy whereby several of Mr. Clyde's mares and the stallion Shorthose will be shipped to Quebec. The Clyde stable goes from here to Toronto and then to Fort Erie.

RHODORA FINISHES IN FRONT AGAIN.

London, June 19.—Richard Croker's filly Rhodora won in the second year of the fifty-fifth Triennial Stakes at Ascot this afternoon. She was ridden by the American jockey, Lucien Lyne, and won easily by three-quarters of a length from Wheat Ear, with Indian Runner third. She was at 2 to 1 in the betting. Six horses ran.

The Triennial is a race for three-year-olds and is run over the Hunt Cup Course of seven furlongs and 166 yards. It closed with ninety-eight entries at \$50 each, half forfeit. The added money is \$2,000 with \$500 additional to the nominator of the winner.

ADVERSE DECISION STOPS DENVER MEETING.

Denver, Col., June 19.—Judge Bliss, in the District Court, today held that under the laws of Colorado betting on horse racing is unlawful and accordingly dissolved the writ of prohibition heretofore granted against justices who had issued warrants against the bookmakers operating at Overland Park Following this decision the Overland Park officials called off today's races and announced that no more racing would take place at that track until the Supreme Court had passed upon the appeal from Judge Bliss' decision.

WILL BACK THE COMMISSION'S ACTION.

Lexington, Ky., June 19.—A dispatch from Frankfort tonight says that Acting Governor Cox, upon being informed of the action of the State Racing Commission, made the announcement that the state government will back up the ruling of the commission if any effort is made by the owners of the Latonia track to put on books,

CHANGE IN THE LOUISIANA SITUATION.

New Orleans, La., June 19.—By a vote of 18 to 17 the senate today reconsidered the vote by which the Cordill racing commission bill was indefinitely postponed and returned it to the calendar. This places the Locke anti-racing bill in jeopardy for final passage Monday. With the sudden reversal of three senators, the advocates of a racing commission have taken on a new lease of life and are now even hoping to defeat the Locke bill Monday night. They have a bare chance.

HOW ARCHER'S BACKER "WENT BROKE."

HOW ARCHER'S BACKER "WENT BROKE."

During the riding career of the famous jockey, Fred Archer, there was a man who used to sell penny packets of cough drops and similar confectionery at the race meetings. In each of these packets was a slip of paper, on which were written tips for the afternoon's races. This man gave lots of winners and did a roaring trade. He blindly put all his takings on the mounts of Archer, who was then at his zenith. He was marvelously successful in his investments and the more he won the more he put on. In fact, he, in turf phraseology, pluckity "played up his winnings" until he was having thousands of pounds on individual mounts of "The Tinman," as the great jockey was known. He became a rich man, but, not satisfied with the fortune he had acquired from so small a beginning, he continued to plunge until he found himself, after a long sequence of bad luck, "stone broke" and at the bottom of the ladder again.—Sporting Life.

TEXAS RACING LIKELY TO GROW.

Racing in Texas is becoming more popular year after year. The coming season promises better sport than citizens of the big commonwealth have yet seen. If things do not brighten north the representation of metropolitan stables at Dallas, Fort Worth and the other big towns will be bigger and stronger than ever before.

RACING OF THE ORDINARY AT LATONIA.

Czar Defeats Pinkola in the Most Interesting Con test of the Afternoon.

Cincinnati, O., June 19.—News that the members of the Kentucky Racing Commission, at a meeting held in Lexington today, had voted against the proposed reinstatement of the bookmakers at Latonia, held out more interest here than this afternoon's racing. The commission, while it refused the club its sanction to return to the old method of betting. The commission while it refused the club its sanction to return to the old method of betting, gave its approval to a reduction of purses and gave the Latonia management permission to cut down \$100 on each purse, or a daily aggregate of \$600. Immediately on receipt of the news the management announced that there would be a meeting of the board of directors to reach a final conclusion as to the betting.

Today's ordinary card was instrumental in causing a big slump in the betting. The racing, however, was keen, although marred by much crowding and jostling. In three of the races the limit number of starters went to the post. The track is barely roomy enough for ten starters and when fourteen attempt to contest, the crowding is inevitable; especially with the green riders that are in action here. Speculators are also chary about investing their money on any race where starters are too abundant.

The purse race at one mile in which Pinkola, Czar, Moquette and Skyo were the only starters, resulted in an upset, as Pinkola, The latter acted badly at the barrier and broke slowly. Heidel went to the whip early and rushed the colt into contention in the first quarter, traversing a middle quarter in less than 23 seconds to wear Skyo down. It gave him the lead, but exhausted him to such an extent that when it came to the decisive racing, Czar

in the first quarter, traversing a middle quarter in less than 23 seconds to wear Skyo down. It gave him the lead, but exhausted him to such an extent that when it came to the decisive racing, Czar came away from him with apparent ease.

The steeplechase was taken by Waterway after he had allowed Impertinence to take a long lead in the early running, Class Leader beating the heavily supported Mellvain for second place. The judges were dissatisfied with the weird ride that Kohler gave Impertinence, and suspended him indefinitely. Filler and Don Irent both came to grief but their riders escaped injury.

Dick Finnell again showed his inconsistency by falling to finish among the placed ones. He was an overwhelming choice for the closing race. He raced with Dr. Lee Huffman in the lead to the stretch turn and then tired fast, Miss Strome taking the purse by a nose from Water Lake, which also showed remarkably improved form over several recent efforts and paid his place backers handsome odds.

In addition to winning with Miss Strome L. A.

cent efforts and paid his place backers handsome odds.

In addition to winning with Miss Strome, L. A. Cella's Rustle added a purse by winning the fifth race in a tight fit from George Young, recently acquired by J. D. Grant. Crowding was responsible for the poor showing of the choices, E. T. Shipp, Alsatian, Topsy Robinson and Hannibal Bey.

In the races for two-year-olds Fair Messenger and Zeola both scored lucky victories.

Anna Day, which started in the steeplechase, was badly cut about the knee and shoulder, a result of her blundering over the first two jumps.

It was rumored today that S. F. Heastlip has resigned his position as president of the City Park Jockey Club.

The mutuel calculators again made an error and it cost the club several hundred dollars before the mistake was discovered. They calculated the pay on Miss Strome straight at \$68.95 in the closing race, whereas the right pay was \$54.20.

THE WHITE KNIGHT'S GOLD CUP.

London, June 19.—The race for the Gold Cup was run at Ascot yesterday. W. R. Wyndham's The White Knight was first, L. de Rothschild's Radium got second place and W. M. G. Singer's Torpoint was third. Six horses started. Richard Croker de-cided not to run his filly Rhodora because of her defeat Wednesday in the Bjennial Stakes.

The White Knight is a remarkable race horse and a great stayer. His success in the Ascot Gold Cupwas, a repetition, he having carried it off in 1907 also. He is a five-year-old son of the Irish sire Desmond—Pella. Last year The White Knight won the March Stakes at Newmarket, 1 1-4 miles; Coronation Cup at Epsom, 1 1-2 miles; Gold Cup at Ascot, 2 1-2 miles, and Goodwood Cup at 2 1-2 miles. At the Newmarket Houghton meeting Radium defeated him for the Jockey Club Cup at 2 1-4 miles. In the Doncaster Cup he was third to Velocity and Bridge of Canny. His only other race of the year, and in some respects his greatest, was when with the crushing impost of 138 pounds, he ran second to Demure in the Cesarewitch Handicap, Demure having up but 93 pounds, and defeating him by only three quarters of a length at the end of a trying two and a quarter miles. pounds, and defeating him by only three quarters a length at the end of a trying two and a quarranter along the state of t

but not the equal of The White Knight, although he did manage to defeat him in the Jockey Cliud. Cup. He is a five-year-old son of Bend Or—Taia and, as the sons of Bend Or have generally proved successful in the stud, probably has a career of usefulness before him as a sire.

Torpoint is a veteran of the turf, being eight years old. He is by the great Australian race horse Trenton—Doncaster Beauty. Ascot is his favorite track. There last year he won the Ascot Stakes at two miles. It is a handicap, and he carried 116 pounds. He also won there the Alexandra Plate at two miles and three-quarters and 85 yards with 133 pounds up, and is altogether an admirable type of the well-preserved stayer.

The Ascot meeting lasts but four days, yet the daily distribution of money in stakes and purses runs close to \$35,000, it having no equal in the facing world in that respect. The winners of the Gold Cup since 1890 are:

Winner—Ch. c, by Voter—Cerlio (trained by J. Rowe).

Went to post at 4:94. At post 3 minutes. Start good. Won cantering; second and third driving. Bailot was sent along from the start to overhaul the leaders and quickly established a long lead, set a killing pace for the remainder of the journey and, when straightened for home, had his opponents decisively beaten, winning practically as his rider pleased. King James, from a flying break, figured as one of the brief early pacemakers, was forced back by Ballot at the quarter and again lost ground through interference at the half, then closed up rapidly from there on into a fast going, but swerving, second in a grand effort. Fair Play, shuffled back in the early running, closed an immense gap in the middle running and seemingly menaced the favorite's lead on the stretch turn, but tired finally in consequence of his premature and marvelously fast move, running a remarkable race. Master Robert outbroke the others and was luckily and forwardly placed for the first mile, but tired after unexpected early and close pursuit of the pacemakers. Dandelion ran prominently throughout and was gaining fast at the end in a cracking effort, Bedouin dropped back early and closed a big gap in the last half. Frank Gill was reserved in a good position from the start, had no mishaps and was easing up at the end. Montgomery and Gold Lady both broke slowly on the extreme outside, made up ground steadily and were easing up at the end. Tourenne ran prominently for a mile and quit. Running Water had a bad start and was hopelessly outpaced from the start. Ellicott was palpably outclassed.

Beauclere, outpaced in the early running, closed a big gap in the last half and, in a great rush, got up for second place in the last stride. Tony Bonero ran in persistent and forward pursuit for seven furlongs, but tired in the closing strides. Blacksheep ran well up throughout under a poor ride. Winner—B. c, by Hamburg—Morningside (trained by A. J. Joyner).

Went to post at 5:07. At post 5 minutes. Start fair. Won handily; second and third driving. Hill-side drew out quickly and set the pace throughout, had a long lead established in the stretch, but swerved hadly under pressure. Edward was always in closest and game, but unavailing, pursuit of the winner and is a coming good one. Wamba broke and ran green, got away poorly and held forth in the rear to the stretch, then finished fast under punishment and is a supposed crack. Spectatress ran forwardly for a half nile and is a good looker. Patsy finished well. So did Moorish King after meeting early interference. Scratched—75195 Cotytto, 115.

Winner—Ch. f, by Star Shoot—Hindoo Rose (trained by D. T. Morris).

Went to post at 3:22. At post 2 minutes. Start good. Won driving: second and third the same. Zeola, showing much improved form and away fast, sprinted into the lead after going a quarter and, standing the final drive gamely, just lasted long enough. Dispute was shuffled back soon after the start and, gaining steadily, although going wide, would have won in a few more strides. Queen's Message ran fairly well and was also gaining at the end. Miss Crittenfien, away poorly, closed a big gap, but tired near the end. Irrigator ran a good race, but suffered from interference. St. Aulaire was almost thrown after going a furlong. Lady Ruby quit in the stretch after a display of speed.
